

## RESUMÉ

### **Robert Merideth**

Program Manager

Bridging Biodiversity & Conservation Science (BBCS) Research Program

*and*

Research Director, López-Hoffman Lab

Udall Center for Studies in Public Policy &

School of Natural Resources and the Environment

Room N307, ENR2 Building

University of Arizona Tucson, AZ 85721

udallcenter.arizona.edu/rm | (520) 979-1293-cell | merideth@email.arizona.edu

## **EDUCATION**

**Water Resources Management**, M.S., University of Wisconsin-Madison (1977)

**Geography**, B.A., University of Oklahoma (1975)

Also, coursework concentrations in environmental sciences, remote sensing & GIS, public policy, library science, and journalism

## **UNIVERSITY POSITIONS**

**University of Arizona**, Tucson, AZ (Nov 1995–present)

Udall Center for Studies in Public Policy

researcher, administrator, grant writer, conference coordinator, editor

**Pennsylvania State University**, State College, PA (Mar 1990–Sep 1995)

College of Earth and Mineral Sciences

writer-editor

Penn State Cooperative Extension

groundwater management program coordinator, writer-editor

Science, Technology, and Society Program

national conference coordinator

**University of Wisconsin-Madison**, Madison, WI (Jul 1984–Dec 1989)

Institute for Environmental Studies

researcher, program coordinator, editor

## RELEVANT EXPERTISE

### **Research development; writing/editing grant proposals and reports to sponsors**

including successful proposals to EPA, NASA, NOAA, National Park Service, National Resources Conservation Service, NSF, USGS, and other funding entities such as the Udall Foundation, Pew Charitable Trusts, & Ford Foundation

### **Scientific publications editing and reviewing**

including research articles in scientific journals, books, working papers, and reports

### **Research and other program management**

including managing funded research projects, data collection and analysis, supervision of staff, & convening meetings and presenting at scientific gathering

## OTHER EXPERIENCE

- Completed University of Arizona training on responsible conduct of research (via Collaborative Institutional Training Initiative) and on research and financial conflicts of interest
- Completed courses on Scholarly Communication, Ethics for Library and Information Professionals, Government Information, and Research Methods taught in the UA School of Information Resources and Library Science
- Director of Constituent Relations for Wisconsin Governor Anthony Earl (Jan 1983–Jun 1984); Congressional Intern, U.S. Representative Tom Steed, D-Okla. (Jun-Aug 1974)
